A copy of the sales receipt is required to have the rebate processed. Rebate will not exceed 50% of the actual cost of the bulb. Rebates must be submitted within 90 days of purchase and will be applied as a credit to your account.

*Cooperative residential members are eligible for a \$30 rebate for the LED fixture only (not the bulb) installed in the cooperative's service territory. Fixture must be Energy Star® or DLC rated. New LED installations or LED replacements for high pressure sodium, metal halide, or mercury vapor must be 50-100 watts.

Retailer Information:

Retailer/Store Name _____ Location _____

Rebates are available for the purchase of new ENERGY STAR or DLC rated bulbs or fixtures. Rebate submittal must follow the guidelines as outlined by the cooperative. Cooperative is not responsible for inaccurate information supplied by the bulb or fixture manufacturer. Rebates will be issued only for products on the current list of Energy Star® rated products as of the purchase date. Energy Star® occasionally removes products from qualifying lists, and the cooperative will not rebate products that have been delisted as of the purchase date or are mislabeled as Energy Star. To verify Energy Star® certification for appliances and lighting visit www.wnergystar.gov or call 1-888-STAR-YES. Rebate program is subject to change or cancellation without notice. Call the cooperative to verify rebate program status and availability of rebates.

IMPORTANT: Incomplete forms will not be processed
