

Right-of-Way Technician

Arrowhead Cooperative is looking for a Right-of-Way Clearing Technician to add to the Cooperative team. This position will support the clearing and customer contact regarding rights-of-way for all Cooperative services on our electric and fiber optic plant.

- Class A CDL required or obtainable within 90 days of hire.
- Knowledge and experience safely working with tools and heavy equipment used for vegetation clearing.
- Considerable skill in dealing effectively with a variety of people.
- Excellent problem-solving skills: the ability to analyze issues, generate solutions, and respond in a timely, calm and positive manner.

Arrowhead Cooperative offers competitive pay and excellent benefits. Please send cover letter and resume via email to Jenny Kartes at jkartes@arrowhead.coop. Arrowhead Cooperative is an Equal Opportunity Employer.
